

Mastering State Aid, Public Procurement & PPP

7-9 November 2018, Amsterdam

For the first time this November we'll be in Amsterdam, focusing on EU competition rules. In particular, we'll discuss state aid and public procurement control with Alun Williams. Here's what we'll work on:

- the main public procurement aspects set up under the new Public Procurement Directives & the CJEU case law;
- concepts & key criteria for State Aid about the logic & objectives;
- applying the 4 State Aid tests;
- cost-benefit analysis of investment projects in the period of 2014 - 2020;
- quality of financial needs analysis including revenue;
- examples of State Aid not prohibited by Article 107(1) TFEU;
- GBER Guidance
