# SPECIAL PARTNERSHIP HIGHLIGHT

Lithuanian Green Finance Institute - Official Partner for Day 2

★ Official Partner

## Lithuanian Green Finance Institute

First Centre of Knowledge and Competence in Green Finance in the Baltic Region

### About the Partnership

The Lithuanian Green Finance Institute brings unique value to this event as our official partner for Day 2. As the first centre of knowledge and competence in green finance in the Baltic region, GFI has established the Sustainable Finance Forum that brings together nearly 150 members from almost 100 different organisations. Through this partnership, participants will gain direct access to the key players in the sustainable finance ecosystem and learn from their practical experience in developing green financial instruments.

### Partnership Value for Participants

#### Direct Access

Connect with key ecosystem players

#### Knowledge Exchange

Practical insights and case studies

#### Market Trends

Latest developments in green finance

#### Partnership Building

Opportunities for future collaboration
